beauty with
its 'One Design', which enriches your TV experience. Transporting you
closer to the action, the LED 6500 elegantly combines the screen with
an Ultra-slim bezel, reducing clutter and delivering a truly immersive
experience. The TV is framed with a super-narrow Metal outline for
total sophistication that complements any decor. And with its

light-weight design, it is easily hung on the wall and perfect for
modern living.

Full HD 3D TV

Active 3D viewing is the only way to experience Full 1080p HD 3D content. With the latest 3D imaging technology, you will
be completely immersed in a new world of TV viewing reality. Less
ghosting produces images that are razor-sharp and fluid, no matter how
fast they're moving. Watch any content in 3D with our built-in 3D
converter.

Clear Motion Rate

Refresh rate (Hz) is only a third of the story, Clear Motion Rate (CMR) by Samsung measures the true clarity performance of a TV. Using the Chipset, TV Panel and the Backlight together, CMR measurements express the TV's true ability to resolve detail in fast moving images.

Skype HD Video

Skype is a free internet video calling service that allows users to communicate with each other. Historically each user would need a PC and specific software as well as a web cam, now just create an account and communicate with friends and family worldwide directly through your TV. A Samsung Skype camera is required and sold separately.

Samsung UN46D6500 / BD-D5500 46" LED 3-D HDTV Bundle

Ultra Clear Panel

The Ultra Clear Panel on Samsung LED TV's efficiently
absorbs external light and effectively eliminates reflection, providing you with real, natural colour and deep, dynamic detail that
deliver a clearer, more comfortable viewing experience.

Social TV

Stay connected with friends and family with Samsung's
Social TV feature. With Social TV, you can share your viewing
